

LIONS RIVERLAND CONVENTION

October 7-10 2021

Accommodation options

Dear Conventioneer

Accommodation options in the Riverland are diverse, and plentiful.

However, we recommend that you book early, as the Convention is planned during the school holidays—the Riverland is a popular place!

The following accommodation providers have been generous in their support for the Convention, but there are other venues and options such as house-boats available. Berri, Loxton and Barmera are also close by and also have great accommodation options.
