

# Lions Mad Minute Competition

A project of the  
**Lions Club of Mount Gambier Inc**

**Adopted as a District C2 project in 2017**

## **Operating Manual**

This online manual details all aspects of the competition with examples and stories of how it has grown and been modified to ensure its success in the Limestone Coast.

The examples given show how Lions & Lioness Clubs in Zones 10 & 11 of District 201 C2 led by Lions Club of Mount Gambier have successfully implemented this project in the Limestone Coast.

Accordingly, any club that wishes to introduce this competition at the school level can adjust or vary as meets the needs of it & the school communities with whom it engages.

It should be noted that if clubs wish or are considering conducting the phase two of the Lions Mad Minute Competition, the Grand Challenge or Interschool Competition that it is important that clubs liaise and ensure that their practices at school level are consistent across the Zone or Region.
