DISTRICT 201C2 CONVENTION NEWSLETTER - JULY 2017

The feedback we have received from the June Newsletter indicates that the information has been well received, and so we will update the information, monthly, as stated, keeping everyone informed.

It is pleasing to report that the preparations are coming into place extremely well, which indicates the original decisions were the right ones, and that as we further advance the arrangements, the final program is what you will enjoy. We are absolutely convinced that the venue, The Function Centre at The Highway, Plympton will meet with your approval, and the Events Manager is being most understanding and helpful with our specific requests. If there are any concerns about the quality of the food which will be presented for our enjoyment, the Sunday Mail critic Kylie Fleming gave The Highway 9/10 for her experience there (Sunday Mail June 25th 2017 page 93).

One announcement we would like to share with you is that International First Vice President Gudrun Bjort Yngvadottir and her husband Past International Director Jon Bjarni Thorsteinsson have been invited to our Convention. They are both very highly respected and dedicated members of our organisation. They reside in Iceland. Vice President Gudrun will be the first female International President of Lions Clubs International during 2018/19. District Governor Judy (as are we all) is delighted they accepted her invitation and we know they will provide a tremendous amount of warmth and inspiration to all who attend. District Governor Judy has also invited several other very inspirational speakers to be part of the program.

You will have viewed a copy of the registration form in the District Newsletter and in the mailing sent by Cabinet Secretary Cheryle. If you would prefer to forward your registration on line, the Lions District 201C2 website has an option for you – click on Conventions and follow the prompts. For those who would prefer not to pay on line or by cheque, cash payments can be made at Westpac banks utilising the BSB number on the registration form.

You will be interested to know that several registrations have already been received, which is an indication to us we are offering what Conventioneers are looking for. I remind members that if you prefer to stay closer to the The Highway, rather than drive a distance each day, there is a lot of accommodation along Anzac Highway and in Glenelg and surrounding suburbs. We are leaving that choice to you.

It is our intention to provide a Convention that everyone will enjoy, and if you have any suggestion of what we may do (or should not do), we will be pleased to give due consideration to your comment(s). Ideally, make direct contact with the Chairman of the Convention Organising Committee Don Burge on (08)82715795 or burged@chariot.com.au
